

Problem

```
graph BT; A[heatoptim.opts.nsga_mpi.NSGAProblem] --> B[Problem];
```

The diagram illustrates a class inheritance relationship. A light gray box at the top is labeled 'Problem'. A blue arrow points upwards from a dark gray box at the bottom to the 'Problem' box. The dark gray box contains the text 'heatoptim.opts.nsga\_mpi.NSGAProblem'.

heatoptim.opts.nsga  
\_mpi.NSGAProblem
